RAs!

I am writing to invite you to take part in something that you've done in the past: an **EPA Regional Administrators' panel on the EPA's Local Government Advisory Committee's agenda on July 28<sup>th</sup>, 1:30-2:30 (EDT)** via videoconference. (See attached *Draft Panel agenda*). We have a one hour session scheduled for a meet and greet, and with time also to briefly highlight some of the intergovernmental collaboration in your region, and to give a sense of what your priorities are, as well as extending the invitation to expand our partnership with local government. (I'm aware that this cuts into your regularly scheduled RA call –30 minute RA-only call is being set for FRIDAY, JULY 22 at 330pm with Joel Beauvais).

This panel will be an opportunity to glimpse where EPA's work really begins and your important role as regional administrator, especially for the seventeen (17) Members who will newly be appointed. The LGAC is a very important ally in supporting our agency's critical mission through their ongoing advice. The LGAC have always been generous with their time, and also appreciative of the time you spend with them, as well.

Please let me know if you are able to take part in this videoconference (or teleconference as a back- up).

Thanks again for your help and support for the LGAC's work!

Mark
